

Hygiene Kits

In the face of natural disasters, violence, or grinding poverty, Hygiene Kits can mean the difference between sickness and health for struggling families. During times of emergency, victims desperately need personal hygiene supplies to maintain health and cleanliness. Assembly instructions are as follows:

List of Items

Needed

- Antibacterial Soap
- Toothbrush
- Toothpaste
- Hand Towels OR Washcloths
- Shampoo
- Plastic Comb

Optional

- Deodorant
- Hand Sanitizer
- Nail Clipper
- Standard Size Band-Aids®
- Disposable Razor
- Shaving Cream

Assembly

- All the items must be new.
- Place items in a heavy-duty, one-gallon, sealable bag.
- Remove air before sealing.

Sample Kits
